SOCIAL EVENTS

PLANS FOR PAPER-RUBBER CAMPAIGN.

Miss Ruth West heads a committee from the social service department of the Rock Island Woman's club that is to have charge of the collection of rubber and paper to be sold for the benefit of the girls' rest room which is some day to be established. Other members of the committee are: Misses Marie Mably, Zoe Blecker, Emily Nussell, Ella Goldman, Bessie Riess, Mabel Freistat, Ella Baumbach and Grace Day. The city will be divided into sections and in the course of the next few days every house in the city will be visited and the housewives asked to save paper and rubber for the department. This will be collected from time to time as each home has accumulated enough to make a trip worth while. The paper and rubber will be stored and sold when sufficient quantity has been collected.

PLAN FOR MAY SUPPER.

Ladies' Aid society of the Central Presbyterian church met yesterday in an all day session at the church. Mrs. W. N. Phillips, Mrs. B. Andrews and Mrs. C. L. Sater were the hostesses. At noon luncheon was served. During the business hour the ladies decided to have a supper Friday evening, May 26. The next meeting which will be an all day session at the church will be held in two weeks.

BERKMAN-MAVES ENGAGEMENT.

An announcement that is of interest to many tricity friends is made by Mr. and Mrs. C. Maves of the Jersey Ridge road, East Davenport, in the engagement and approaching marriage of their daughter, Ella, to Carl P. Berkman of Philadelphia, Pa., son of Mrs. Jennie B. Weber of Rock Island. No date is announced for the wedding which will probably be some time during the summer.

Miss Maves is the second daughter of Mr. and Mrs. Maves and is very popular with many friends who will regret her removal to the east, where after the wedding the new home will be in Philadelphia. Mr. Berkman holds a fine position as instructor for the Remington Arms company. He was formerly connected with the polishing department of Rock Island arsenal until his promotion last December in his special line of work at the big munitions plant near Philadelphia.
